Weddings *at* Charlton House

A warm *hello* from your personal wedding planner.

Hello and welcome to Charlton House, where timeless architecture meets new standards in events management and design. Explore our options, share your preferences, and join us for a consultation to discuss how we might bring your vision to life.

Fashion an *unforgettable* wedding day journey.

Eclectic architecture and unmistakable character make Charlton House the superlative choice for your ceremony or celebration. The elegance of our Orangery is neatly complimented by the rusticity of our orchard, or our bright, botanical conservatory.

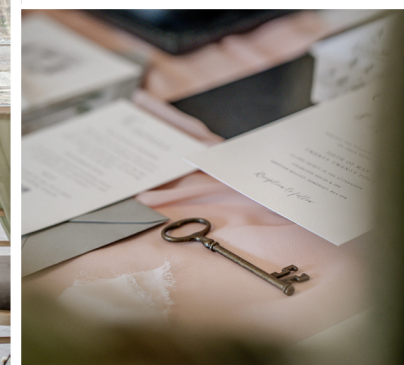

Curate dramatic backdrops
with professional *styling*.

We're intent on breaking the mould, on curating displays for the ceremony, the reception, and everything in between which are at once innovative and aesthetic. Because in our book beautiful people deserve to be surrounded by beautiful things.

Showcase your personality
with art-curated *floristry*.

We partner with florists who deliver excellence time and again. No matter whether you want a carpet of petals leading you up the aisle, an arrangement of vibrant orchids, or a nest of vivid green. They have the flair to realise even complex commissions.

Come together around locally sourced *food*.

Let us lay on a feast and we'll showcase the very best of Somerset, from farm to fork. All you have to do is hint at the direction we should take with flavour. We can cook up anything from contemporary Asian cuisine to flame-grilled meat and seafood.

Usher in married life in style with live *entertainment*.

Somerset is awash with musical talent. We can book artists as varied in scope as acid house DJs and cellists, folk guitarists and jazz musicians, so you can let loose in the evening while sustaining the air of sophistication your wedding ceremony deserves.

Craft lasting memories with *pre-wedding* experiences.

Build anticipation for your big day with our tailored stag and hen options. Luxuriate in spa days, embark on vintage engine-driving adventures with the East Somerset Railway, or savour gastronomical delights in our restaurant for an unforgettable celebration.

Make our home distinctly *yours* with exclusive use.

Exclusive use means having the full run of our rooms, restaurants, and grounds. It means having your loved ones to stay on your wedding night, and the night before if you so choose. We'll treat the entire party to breakfast. And spa access, too.

Let us tag you into our local supplier *network*.

The synergy between our venue and local suppliers ensures a cohesive and efficient planning process, enhancing the overall quality and success of your event. Together we can go above and beyond to create something greater than the sum of its parts.

Let the show go on with an Indonesian *honeymoon*.

Once your guests depart treat yourselves to a spot of rest and recuperation with a quiet minibreak at our spa. Then, if you desire, we can whisk you away to one of our Asian hotels. At Montigo Resorts, exotic honeymoons are by no means a distant pipe dream.

We'd be delighted to see what makes you *tick*.

We extend a personalised invitation to creative couples looking to do something a little different for their special day. Should you reach out today, we'll invite you to a bespoke consultation to discuss how best to bring your wedding portrait to life.
